CERTIFICATE OF PEER-REVIEWED JOURNAL

CERTIFICATE OF SCHOLARLY PEER-REVIEW RECOGNITION

This is to Certify That

Journal of Emerging Technologies and Innovative Research (JETIR)

ISSN (ONLINE)	PUBLISHER	JOURNAL WEBSITE
2349-5162	IJ Publication	jetir.org

has been assessed by **ORWave - Open Access Repository** and has demonstrated the use of a documented scholarly peer-review process for the evaluation period **2026**. The journal maintains an editorial and manuscript evaluation process intended to support academic integrity, research quality, transparency, and responsible scholarly publishing. The assessment recognizes the journal's documented practices relating to editorial oversight, independent manuscript review, publication ethics, and academic quality assurance.

PEER-REVIEW STATUS

PEER-REVIEWED SCHOLARLY JOURNAL

Review Model: **Double-Blind Peer Review** · Assessment Period: **2026**

This certificate is issued in recognition of the peer-review practices verified by the issuing organization and the journal's commitment to maintaining responsible scholarly publication standards.

ORWave - Open Access Repository and Preprint

Dr. Parin Patel

Authorized Signatory · Editor-in-Chief, ORWave

Issued By: ORWave - Open Access Repository · **Date:** 19 November 2026

CERTIFICATE VERIFICATION

This certification confirms the peer-review practices assessed within the stated evaluation period. It does not independently establish indexing status, citation impact, or accreditation by another organization.
